To the family, I am in disbelief hearing the news of Santiago transition. We hired in together in 99 and he will always be apart of me. So many times he helped cheer me up with either a joke or his heartfelt smile. I thank you for sharing him with us. He will be truly missed but he will always live on in those of us he touched. May God continue to give you all strength today and the days ahead. My prayers will always be lifted in Santiago's name. Carlos Y Diana lit a candle in honor of Santiago.

Chagito, "What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget". Mijo, As I have prayed to Welita, Tio Rene, and now to you: Yo se que están feliz en el cielo. Espero que sepan lo mucho que los queremos, los extrañamos, y que estamos con la esperanza que nos podamos volver a ver. Los quiero con toda mi alma. Querida Familia, We pray that in the midst of our sorrow, we find comfort in all the joyful memories. We are deeply saddened by your/our loss. Reciban un fuerte abrazo. Los queremos mucho, Carlos y Diana 😊
