Robert Ralph Laskowski

NOV 27, 1939 - APR 28, 2020

Robert “Bob” Ralph Laskowski passed away April 28, 2020 at the age of 80. Bob was born on November 27, 1939, in Cleveland, Ohio to Theodore and Ruth (Knechtle) Laskowski. He met and fell in love with Sarah Huber in 1968 and married her just months after meeting. They were married for 51 wonderful years at the time of his passing. Bob was proud of his service to his country as a Staff Sargent in the United States Air Force where he worked on some of the first flight simulators. As a computer engineer, Bob concluded his career working at MedImage for over 20 years. He was known as “MacGyver” to friends and family for his tinkering and inventions that ranged from the circuit that spawned the Domino’s Pizza “Heat Wave” to toys for his grandchildren. Bob loved being outside and working in his barn. He was deeply devoted to his faith and was a member of the St. Mary’s parish for 45 years.

Bob will be remembered for his handsome smile, his jokes and sense of humor, for making suspenders always look in fashion, his love of classical music, for always willing to help others, and convincing his son that he was a real life superhero. He was deeply loved by his friends and family and will be greatly missed.

Bob is survived by his wife, Sarah; son Matthew, daughter in law Nicole; grandsons Jonathan and Peter; as well as many nieces and nephews. He is preceded in death by his sister Jean, brothers Donald and James.

Bob’s family held a private viewing at St. Mary Catholic Church, Manchester with his interment at St. Mary Roman Catholic Cemetery. His public Farewell will be held at a later date to be determined. Fr. Bosco Padamattummal will serve as celebrant. There will also be a public visitation from 10:00 am – 11:00 am on Friday, May 1 at St. Mary parish, however due to the COVID-19 restrictions the number of people in the church at a time will be limited to follow social distancing guidelines. Memorial contributions are suggested to St. Mary Catholic Church,

I was blessed to meet you once uncle Bob, along with uncle Don. I am so sad Aunt Sarah, may God put his loving arms around you to bring you comfort. Uncle Bob is in the ever-lasting arms of Jesus and we will see him on that beautiful shore again when we are called home.

Dear Sarah and Matt, All of us at MedImage are saddened to hear that Bob passed away. I say that, but, I know he did not pass away, he stepped into eternity; our next step. He just went ahead of us into the presence of God. He was a good friend and a good co-worker, always ready to help, to figure out a problem, argue about politics, and willing to try ALMOST anything! He had an enthusiasm for life that showed in his grin. We all missed him when he retired, and we will miss him now knowing he is not here with us. I know that God will keep you in his hand, surrounded by His peace. All of us at MedImage send our best thoughts to you. My heart goes out for you Sarah. He is missed and prayed for. His smiling face will be remembered as we have our fish fries again next year. You two were always there helping St. Mary's Parish. Thanks for the warmth you shared for my son Hal, Matt's friend. I pray for Bob's immortal soul and that he is welcomed into Paradise by Jesus, as His mother The Blessed Virgin Mary was. God's blessings be with you.

I always looked up to Uncle Bob and enjoyed our conversations together. Although we lived quite a distance apart, I thought of him often and am glad to have these good memories to reflect upon. I remember when we lived on Cook Road in Olmsted Falls listening to the ham radio with him. My deepest sympathy to Aunt Sarah, Matthew and family. Dale Hughes and family

Bob was such a beautiful, loving MAN. This world has lost a great man But heaven gained one amazing soul! He is higher than the stars he loved. He now has the answers to all the questions posed in "I Can Only Imagine"! You will be greatly missed!
