So sorry I didnt know she was sick. We had nice conversations on phone about pets and grandchildren Call sometimes lasted hour or more. I was just thinking about calling her when my niece said her name was on board at funeral home. She will be missed. You have my sympathy They say death is hardest on the living. Takes a long time for hurt to go away

Jean was quite the feisty lady and we enjoyed knowing her and Grant for many years through the antique auctions. Jean would sit with my mom at many of them and who will ever know some of the conversations they had as my mama was just as feisty. Both suffered to the end but the damn cigarettes won both of them. We will miss your mom and enjoyed her stopping in to chat and the chat usually was for hours but fond memories. Our ❤️ goes out to you.Kaye and Brian

Jean was a great cousin. We have many great memories growing up with her and her sister Joan. They were more like sisters than cousins. May God give you peace at this time. My prayers ate always with you.Dan and Pat Simonelli
