I have soo many memories of Dean, he was born 18 mths after me, I'm his sister. Dean lived his life, as he wanted. He had his uniqueness. He could be a pain (as only siblings would know lol) but Dean had a heart of gold, would do anything for anyone. As adults our lives changed, we went our ways. I am going to miss him and silly grin and his half wave lol, let's not forget his crazy, crazy hair ☐☐. I love you Dean-O...gonna miss what could of been ❤️😭🙏 R.I.P. my DEAN-O 📺
