I never met Thumper in person, but I'd read a considerable amount of what he posted on the Shovelhead board. He was knowledgeable and memorable - even on a board with a cast of colorful and knowledgeable characters. I liked him, and so did many others. He was liked and respected - and I'm thankful for the opportunity to have virtually met him. And to have the opportunity to join in offering condolences to all his family and friends. He will be missed. Rest in peace.

Thumperrrr, from everyone here at the Biker News Network, thank you for the years of support when no one else cared. Thank you posting every day for the past 15 years. You will be greatly missed by the thousands of people you have interacted with on a daily basis. Most of all, I will miss you. Ride that Harley to the best fishing hole you can find and catch a few for me. Til Valhalla brother.

Chris was a neighbor of ours on Wamplers Lake. He and his dog, Mack, drove up and down the lake road daily in a fancy "golf cart". We would talk, when he wasn't in a hurry. It was a sure sign of Spring when Chris came out of winter hibernation and started driving his golf cart again. One day he made a delicious meatloaf in his new smoker and brought us a sample. Who knew he was a good cook? We will miss him. He was so much a part of Wamplers Lake. Nancy & Dean Dickie
