I've known Randy for about 40 years. I've always found him to be a great ambassador for the Chesney family. While not outspoken, he always carried himself with great wisdom. I always enjoyed seeing him. I know his family is very proud of him and the family he built with his wife and children. May they carry with the dignity Randy bestowed. I'm sure they will. They have reason to be proud.

I'm very sorry for your loss. We lived up the road from Chesney's. Randy's death is a terrible shock to us. My husband was his teacher. He was the oldest of the 8. What a wonderful young man.
