I was so very sad to hear of my Uncle AJ's passing. I remember growing up that we always had great family times together. My dad Harley, uncle AJ and uncle Johnny and Jerry Hulsey in their hunting cabin during hunting season...doing what the Green brothers love to do...playing cards, drinking and telling stories. Uncle AJ you will missed and always in our hearts and memories will you live forever.

My husband and I (Bill and Terrie Thomas) have only known AJ and Marlene for about 2 years as we are in the same condo Complex. We became friends and enjoyed their company and feel like we have known them forever. AJ and Marlene were the sun in the day and brightened ours each time we visited. Those two were the nicest , fun couple we've ever known and she has over 30 years of wonderful memories ... AJ will be dearly missed by everyone who knew him, and loved by all. God bless you AJ....and your lovely wife, Marlene.

A J was a good neighbor and friend to me. It was always a joy to visit and interact with him. My feeling of loss with his passing must be small when compared to that of his close family. God bless you all.
