My prayers go out to Caroles family. She will be so missed by her Kettering Middletown family. Her smile that lit up the room, her caring spirit that she showed her co workers and patients, daily walks around the building where there was always a hi, how are you. She was a friend to all. As for me, she was the one who found my cancer while doing my ultrasound. She will forever be my healthcare hero! Rest in peace, Heaven gained a great angel and we lost one. Diana Robinson.
