Charles "Chuck" Andres

JAN 22, 1940 - NOV 12, 2021

Charles Edward Andres, 81, passed away unexpectedly, Friday, November 12, 2021 at Henry Ford Allegiance Hospital, Jackson. Chuck's family and friends will gather Wednesday, November 17, 2021 from 4:00 pm – 7:00 pm and Thursday, November 18, 2021 from 10:00 am – 11:00 am at Eineder Funeral Homes - Brooklyn Chapel. His funeral service will follow on Thursday, November 18, 2021 at 11:00 am. Pastor Jeff Sheeks will officiate.

He was born on January 22, 1940, in Detroit, Michigan to Charles and Ruth (Livernois) Andres. Chuck married Sandy Martin, on May 25, 1963 in Dearborn, Michigan. He will be remembered as a hard worker that could fix anything, affectionately called "Jack of all trades" or the "Go to Guy". Chuck proudly served his country in the United States Air Force from 1958 – 1961. He then gained employment at Ford Motor Company, retiring after 30 years of service. Chuck was a man of many interests. He built his own home, helped his sons build their homes, fixed cars, did excavating, and drilled wells. Chuck had an extensive movie collection, several slot machines, juke boxes and other gadgets. He enjoyed water skiing on Vineyard Lake and flying (even owning his own airplane). Chuck loved spending time in his machine shop and tinkering. The memories he cherished most were his Sunday morning waffles with his family and spending time with his vast cat family. Chuck will be missed by all who knew and loved him.

Chuck is survived by his wife Sandy; his children, Gregg (Tracy) Andres and Timothy (Rene') Andres; siblings, Sherry Vincent and Erv Andres; grandchildren Rebecca, Rachel, Tamsin, Jason, Nate, Lauren, and Rachel; and his special friend, Barb Wright. He is preceded in death by his parents, brother, Jim and sister, Nita.

Military honors provided by Brooklyn American Legion Wilbur Bartlett Post 315.

Memorial contributions are suggested to Jackson Animal Shelter. Please leave a message of comfort for Chuck's family or sign his guestbook at www.EinederFuneralHomes.com.

My brother Chuck was "One in a Million." Being the oldest of five, he was only 24 years old when our father passed away, so he took on the role of dad and brother. Once I moved to this area in 1998, we became Best Buddies! He would call from his shop and pick me up to go to his favorite place for lunch, Old Country Buffet. On the way home, we had to stop at Harbor Freight for his "Free Gift" (he already had a hundred, but he would get excited like a little boy with a new toy) and of course, a trip to Meijer for twenty-four 12 packs of Diet Pepsi. I watched him suffer through so many surgeries and fight through so much pain. Like his beloved cats, he lived well beyond nine lives, and we called him the bionic man. He lived his life his way and he told me many times that he had no regrets. He was a work-a-holic, but that was FUN to him. This picture of him in his new truck, was his first Sam's Club and Harbor Freight run and our last road trip together. He will be forever in my heart. RIP Love, your sister Sherry

Uncle Chuck, I'm so glad that I had a chance to tell you how grateful I am for all of the memories and great experiences I had because of you. From spending weekends and weeks at your house in the summer, hanging out with my cousins, learning to water ski, ride three wheelers, and a snowmobile to teaching me how to use a lathe before I had to do it for my class with all men. Once I became a mother of two boys, you took them for a ride in your digger, up in your airplane, for a ride on your 4-wheeler and your golf cart. You repaired my car for me when the timing belt broke and wrecked the engine, you helped my mom & dad numerous times when things needed fixing, and you even started making "crafts" by personalizing blocks of glass for people on your cancer machine. I will cherish my "Hockey Mom" gift forever. I hope that your reunion with Grandma, Uncle Jim & Aunt Juanita in heaven was all that we dream it will be. You will forever be one of my heroes. Until we meet again, Love your niece, Donna xoxo

BB **Betty Belcourt** November 18 at 8:31 AM

To Chuck's family and friends in Michigan...Betty (Rosberg) Belcourt, Jerry Hart and Hazel Belcourt in Orange County California have the warmest memories of our friend Chuck...Betty and Dick always called Chuck to come over and fix things when Dick Rosberg was on the road somewhere... Well we were traveling once upon a time and we asked Chuck to go to the home and turn our Thermostat on!!! Chuck spent more than an hour trying to find our thermostat!!! He found it FINALLY on the wall.... COVERED FOR SUMMER under a small Wicker Basket!!!He said to Betty (Who covers a thermostat with a basket!!!)... We laughed so hard.Betty flew around the area many times as she was the secretary at the flight school where he took training... She was always ready for a trip on is airplane.We road our dirt bikes on his property, he had his dump truck at his property where he filled it with wood for the year for us...We are so happy to have known him and feel your pain in loosing this special family member and friend.May he Rest In Peace knowing his impact on so many people will always be remembered.We loved you Chuck and smile every time we talk about our last conversation.

I remember Mick in his airplane, scaring the bejesus out of Mark and me. Mark used to like to play war outside and we would pretend the Germans were attacking. When Mickey buzzed the house we thought we really WERE being attacked. For years we'd look up whenever we heard a plane wondering if it was Mickey. I'll forever think of Mickey when I look up at the sky. - Carol (Servick) Romine

Our deepest sympathy to all of Mickey's family. His passing leaves a huge void in the lives of so many. We will always remember his many contributions to our family reunions - the prizes for the kids, cotton candy, airplane rides, etc. There was never anything he couldn't - or wouldn't - do when he set his mind to it. He set the bar on "Jack of all trades"!!! Love to all, Jim and Lorry Domagalski
