Nick was instrumental in helping with the formation of the Jackson chapter of the well-armed woman at Brooklyn sportsman's Club. We were going to be thrilled if 20 or 30 ladies showed up for our kickoff in January 2016, but over a hundred showed up. Our chapter has flourished at the Brooklyn sportsman's Club and we are grateful for the leadership that Nick showed in supporting women's shooters at every stage of expertise. Twaw shooting chapters doing businesses armed women of America honors the memory of Nick and his contributions to our development as safe shooters.
