Pam was a lifelong friend of my mother, her son Mike was my mother's little brothers best friend. my family grew to know & love her quickly, Lord knows who couldn't love a woman so priceless. growing up, Pam was my little sister & i's long term babysitter before we moved from Michigan to Tennessee. the memories she provided my sister & i with during that time will last us a lifetime. i hope she's somewhere watching MeTV & cuddled up with an animal. although it hurts to see her go , may she rest in peace. we love you aunt Pam. love, holly

I didn't know Pam, however I know her son Mike. Mike is kind, loving, respectful & giving. If Mike is a reflection of his mom she was a beautiful soul. So sorry for your loss.
