I have some fond memories of Susan, going to Jerry's singing karaoke with her. Watching my son Korbin interact with Susan at her keyboard. Susan will be missed by many, she had a kind heart.

She was my girls scout leader all the way until I was a blue cadet. So many amazing memories were had in those years. She took us to Chicago to see the opening of "Grease", the Bonnie Bell factory where I learned never to rub my eyes from the outside in. Lol We camped many weekends and rollerskated all the time. I was from a large family so we never did much besides going back home to Minnesota to visit family so being a girls scout was a great memory for me! She will be greatly missed but her memories will always be with me! Mary jo
