Brian was such a great grandpa and father , I remember him always spoiling the girls , a piece of candy for each hand , a new beanie baby every Sunday. He will always be remembered for his kindness and compassion. He was always there for whoever needed him . He will be greatly missed , forever and always .

Brian was a friend whom I have always called my brother. We worked together for so many years, on so many construction projects, in so many places - I couldn't possibly list them all. But to say that Brian was also a bricklayer and stonemason only scratches the surface. Over the years, time and time again, Brian always proved himself to be a man of great integrity, principle, character, and honesty. Rest in peace, brother Brian.

I mostly remember Brian when we were all young. Him, my brother Frank, Brett, me, and Brandon always played together. We camped together in the summers with my parents and had the most fun at family reunions. I will miss you Brian. Rest In Peace! Your cousin Susie

Brian was the BEST uncle. I was blessed to know him. He was extremely thoughtful of others. Always made you feel welcome. Bruce and I were fortunate to know him personally and professionally. What talent! Brian and Cindy's marriage has always been our inspiration and always will be. Cindy we are here for you ❤️. My best memories will be what a loving father he was, very protective of his children. Brian will be missed by all that met him. What a wonderful legacy he has left behind him. He once told me no one would miss him... so yeah he was humble too. But he was wrong EVERYONE MISSES HIM. ❤️ sending love and hugs to Cindy, Brandie, Baron, Wes and the grandkids today and forever

He loved Cindy and often we celebrated our anniversaries together. I never met a kid who didn't love Brian and who Brian wouldn't kill for! He will be forever in my heart and Cindy, Barron and Brandy in my prayers and thoughts for the strength to get thru this. We love you all and our deepest sympathy
