Warren was a good friend, as we first met him golfing. We golfed in the same leagues for many years. He was also a member of our Wednesday breakfast club at Big Boys. I always enjoyed the stories he would tell of his young years. I never seen him get mad or say anything unkind about anybody. He was truly a kind gentleman. He left his mark on my life, for which I will always be grateful for. Warren you will be missed by many, and I for one, will always have good memories of the times and talks that we had. RIP my dear friend. Prayers to your wife and family.
