Delores was a force! Memories of her wonderful spirit are so strong it's hard to believe she's not still here to talk with, but she will endure in my heart. I was lucky enough to have worked with Delores for many years at QED, and her caring, energy and smiles all shined brightly, and her never ending support of the employees made it feel like family. Those were her own values- treat people as family.

As employees of QED, Larry and I were blessed to have her as our HR manager. We were dealing with me cancer diagnosis and treatment, and she was invaluable in taking care of insurance needs and anything else we needed at that time. Always gracious and positive, she went beyond the expected and called me and encouraged me and sent me cards and notes. She was always there for any concerns of Larry whether with the work or personal. She became a friend whom we admired and respected and trusted and loved. What a legacy! Thank you Delores and our deepest condolences to her family and friends. Larry and Margaret Randall, QED Houston, Texas

I was one of many people working at QED in Ann Arbor and Dexter who had the pleasure of working with Delores. As our HR manager, she was a great balance of messenger for the company and advocate for the employees. Anyone could come to her for help navigating company policies, benefits and insurance issues, and Delores would always do what was needed to make things work smoothly. She went above and beyond, and truly cared about the well being of everyone at the company. And what a kick it was to talk and joke with her! She had a sharp wit and enjoyed a good laugh, and she loved to tell stories about her kids and her grandkids. I was sad to hear of her passing, and wish all of her family and friends my condolences for your loss. Rest is peace, dear friend.

I just loved Delores! She was an "in-law" Gebhardt like me, and what a firecracker! I fondly remember sitting in her backyard eating our take-out meal from the Chicken Broil. She was a great hostess and storyteller. How very strange it was to see her daughter Julie and Scott at a Graduation Party and then for her to pass right after that. She leaves a special legacy for her children and grandchildren and the entire Gebhardt family. R.I.P. Delores!
