I am so sorry to just now hear of Katie's passing. Katie was one of my mom's best friends from the Ypsilanti Ford plant. They worked side by side for many years. She and my mom shared many of the same interests especially cooking and shared southern recipes over the years. Above all they loved their family and especially their grandchildren. Katie was totally in love with her grandson Steven as he was with her. She will always be remembered right there with my mother. My heart goes out to Corbid for the 69 yrs they had together. Steven she loved u beyond words. Fly high Katie you and my mama can fly together. ❤️Kaye Ewalt (Arnold) and family
