I have sooo many memories of Robbie that it would fill this entire page. From staying up till 4am playing Tecmo super bowl as kids to Jeff and I flipping his mattress over on him because he wanted to sleep and we wanted to be rowdy. I didn't see him much lately but that doesn't mean I loved him any less then when we spent all summer together. As I watch my 2 boys fight like brothers it makes me think back to when we fought like brothers because that's what we were. I'll miss him and never forget him.
