This lady gave me the strength to go on. The love that I missed when my mother died and the one person I could always turn to no matter how bad things were. Rest in peace and know how much you will be missed and how much you were loved. God receives a remarkable lady, friend, and loved one. Miss and love you momma Rose

Rose will be remembered by Norvell Township and its residents for a very long time. She participated in so many aspects of the township for so many years. From the Senior Citizen programs and the office to the ZBA, planning commission and the Board itself, she enjoyed serving the Norvell residents. Her family should be very proud of the legacy she left behind. Rose was a wonderful woman who we enjoyed working with. Our thoughts and prayers are with her and the family.
