I believe I was in Mr Salisbury's first 6th Grade class at MC Jr High. I'll not forget his cowboy boots and how far he could boot the kickball with them. I'll not forget his humor and his devotion to UK basketball. Thank you for influencing my life, Mr Salisbury. I'll see you up there!

I'm very sorry to learn of Mr. Salisbury's passing. He was such a positive influence to the students at Michigan Center Jr High. He always made me feel very special and made me smile with his funny jokes and upbeat personality. Please know he made an amazing and positive impact on countless people. He is truly one of those teachers that still bring a smile to my face when I recall my Jr High years (MCHS grad class of 1981). Please accept my condolences during this difficult time.
