Age 73, of Napoleon Township, passed away peacefully September 5, 2019 with his loving family by his side and under the care of the wonderful, loving caregivers at the Henry Ford Allegiance Hospice Home. Dennis was born July 13, 1946 in Jackson, Michigan to Matt and Laura Seppi. Dennis was avid tinkerer, man of many trades and lover of all things outdoors. Dennis is survived by his wife Kathy of 54 years; daughter, Kelly (Craig) Boardman; son, Michael Seppi; granddaughter, Lindsay (Cody) Rochefort and great-grandson, Carson Lee Rochefort; bonus grandchildren, Kara (Scott) Miilu and Thomas Boardman; sisters-in-law, Pat Toms and Bet Boey; a host of nieces, nephews and a special cousin and his partner in crime, Don Rhodes and family. Dennis had nicknames for everyone, rather it be at work or his loved ones, the favorite being Michael Myers AKA Oscar Myer. Dennis worked at Clark Equipment and later worked skilled trades and became a journeyman glazier. Dennis retired in 2008, after which he spent much of his time traveling with the favorite destination being Mackinac Island. He loved spending time with his family especially his "sweety", granddaughter Lindsay and more recently great-grandson. Dennis will be missed for his marvelous inventions and his ability to fix anything. The family will welcome guests at Arthur-Day Funeral Home in Michigan Center on September 11, 2019. Visitation will be from 5:00-6:30 with a celebration of life starting immediately after with hospice chaplain Bart Hall officiating. Dennis will be missed by many, but one thing is for sure... he is still yellin' Go Blue!

For those who wish, contributions in memory of Dennis should be directed to the Henry Ford Allegiance Hospice Home, 2150 Kingsbrooke Dr, Jackson, MI 49202.

Memories. Such kind and wonderful memories. Years ago after my mother died, I would have been probably 7 or 8 years old, and my father married again, we moved to Stoney Lake. There was a little creek running between our house and the neighbors, the Seppi's. I have an awful fear of snakes to this day, and at the time I wasn't all that fond of reptiles period. Dennis, as I know now wasn't that much older than me, and my memory is of a very kind young boy who had a chameleon as a pet. Did he shove it in my face? No. He actually took his time to show me his chameleon, to the point where he had me holding it. This memory has stuck with me all of these years as he could have been a tormentor, but was the exact opposite. If I have cherished this memory all of these years I can only imagine all of the wonderful memories that each and everyone of his family hold in their hearts and minds. May you rest in peace old friend, and may the wonderful memories of your time on this earth help to sustain your family and friends through this difficult time.
