Perry, was a wonderful man. Perry DJ at both my older son's (Christopher Sandoval and Brandon Griffith) weddings. We had said after Brandon's wedding that when our youngest son Ashton gets married we had to have Perry DJ. If you called Perry at home he could tell if you were having a bad day without you telling him. He could lift your spirits no matter how depressed or upset you were. Even though he has gone home with our Heavenly Father his earthly works will be remembered forever by those people that were lucky enough to have him in or at least touched their lives. So we say see you later Perry Until we meet again on God's Celestial Shore my freind! Freddie & Fillippa Griffith
