Sorry for your loss, Mike. We have great memories of weekends at 8 point lake. We would all get together for card games at Bernice and Vern's cottage. Canoe trips down the river, and loading up the cars and trucks to check on Mona. Never to be forgotten memories. RIP Karlotta.

RIP my friend!!! We shared many memories while in school and Girl Scouts together. Although I wish things had been different, we lost contact with one another shortly after graduation. Life just seemed to have other plans for us. I wish I had made more of an effort to stay in touch when I ran into you later in life. You will be missed...
