Share a memory, what can I choose? Memories of a friendship throughout over 25 years.. Kathy taught me so much from how to overcome difficult obstacles from strength within our souls to uncontrollable laughter 😊😊😊. She even taught me how to know when it was going to rain by looking at leaves on trees and smelling the air... Which memory to choose? So many... Miss you dearly my all informational and all inspirational friend!!

Kathy and I grew up together and were good friends when we were 10-12 yrs old. We used to ride bikes together and hang out together in the neighborhood. I am saddened to hear of her passing. She had been on my mind alot lately. I feel guilty for not reaching out more. R.I.P. my friend. Suzette Wasielewski
