Amber I will never forget your smile when you came to Tn. We had so many memories together. I have been looking through pictures of us When we would go to our friend Jillian's house. You always loved doing my hair because it was curly. Somehow you would always make it curl right and I always wondered how you did it. Every time we saw you, you were always happy. I will be praying for your family. I know this is so hard and I pray for peace and comfort. I will cherish those memories and never forget them. Love Ariel Glissen
