Sending my Love to my cousins, I'm sorry to hear the Loss of Aunt Wilma. It's been along time since I've seen or talked with her, but I do have a memory that I speak of quite often with my friends. I remember coming to the house on Fox Rd if I got that right, Lori and I used to climb the cherry tree and pick cherries for her so she could make cherry pie and as we would pick them we would eat them until we were sick. I also remember laying on the floor in the living room and watching tv and waiting for her to bring us her famous popcorn that was sweet and salty. It may not seem like great memories to others but along with those memories are many more that I will always keep in my heart. Love you always Terrie
