Sharon Laverne Ducey

MAY 20, 1949 - NOV 6, 2021

Age 72, of Grass Lake Township, passed away at Henry Ford Allegiance November 6, 2021.

She is survived by her husband of 54 years Jim Ducey. Daughter Jennifer Story and her husband Mike Story, granddaughter Kaitlyn Story, great- grandchildren Ellie and Hadley, grandson Donovan Story and his wife Katey Story, great- grandchildren Ryder and Rylee. Her son James Ducey II and his Fiancé' Amy Schachow, grandchildren Alexander Ducey, Anna Ducey, Ethan Nixon & Averi Nixon. her daughter Ruth-Ann Ducey Edwards and her husband Rob Edwards and grandchildren Robert Edwards (RJ) Roderick Edwards (Ricky). Also, too many GrandFurbabies to count. Sharon had the undying belief that her Grandkids and Great Grandkids were always right and could do no wrong. If there was an event that she could attend and one of the Grandkids were participating she would find a way to either get there or watch it online. If she wasn't planning to see her Grandchildren you could find her tending to her garden or talking with her neighbors about the different flowers and plants she loved. At her request cremation has taken place and no services will be held.

I was so saddened to read that Sharon had passed. Im a neighbor who had the joy of sharing ideas for our new garden with Sharon, and leaning on her for wonderful advice about what worked well for them just across the street. Ill miss having her visit our garden this spring. Were thinking of your family and will be remembering Sharon as the flowers bloom in our garden next season.

I am so sorry for you loss. Though we lived in Napoleon for a short period of time, I remember sitting in your mom's kitchen with my mom and laughing. My mom noticed a ceramic plaque on her wall and commented on how much she liked it. I can't remember the entire saying but it was something about friendship. Sharon got up, walked across the room, pulled this ceramic plaque off her wall and gave it to my mom. That night on the way home my said to me, "that is what friendship looks like". It is something that comes to my mind every now and then. Bless you and your family! and may God bless Sharon! Katie Kaminski Schmidt
