I had not been able to see Brad for awhile when I got to hang with him at Sues birthday up north. We all hung by the fire. We had such a great time a few of us went into the kitchen and talked even longer. Late into the night. It was an amazing night. I just adored Brads company. I am so exceedingly thankful that I got that night with him. He was such a caring man, who stepped up and did what those he loved needed. My dad was so very fond of him. I will miss him. Brad and I were born March 27, 1959 at Hayes Green Beach hospital in Charlotte, Michigan. Both our mothers were roommates at the maternity wing and we shared time the nursery from that point on we have been lifelong friends and it was an honor to see him a few years ago at the 40th Charlotte high school class of 77 reunion, since then we have talked on the phone and it was a privilege to reconnect with him. I know he will be greatly missed

Our friend Brad was the most amazing, kind hearted soul that Bruce and I have ever met! He was the type of man that whatever you were going through his home was your home! We enjoyed many times on the lake wether he was home or not, because he always welcomed you as family! Before you could unload your boat he would have the fish cleaned and ready to go! One thing I will always say is Brad was a great family man. He loved his children and grandchildren with the up most importance! Another thing about Brad is he was a fighter! When things got hard he never gave up. When life through him a curve ball he never flinched! He continued to be strong for his family because that was his biggest goal in his life which was to be the Best Father, Best Grandpa and Best Friend that he could possibly be!! Job well done Brad you will forever be missed!!

Brad, sorry to hear you passed. We had lunch together over the past couple years, you had turned out to be a very compassionate man. Having taken care of your mom and dad for years before their passing. Just know, the world has lost a good man. Renee
