My sister will be missed by all who knew her. We had many wonderful trips that started out as day trips then when that wasn't enough to 14 day trips. I was blessed to have my sister for the additional 9 years the Lord gave her. I will miss her terribly.

As sisters we had many wonderful experiences including a trip to Hawaii and just last May a great adventure out west. We loved lunches and dinners out. She was my go-to person my entire life and I will miss her sage advice. She will be missed by all of us. My love goes out to all her children and grandchildren. Sandy Record
