Becky came into the life of Henry, Lottie, Carol and Nancy Kielar at a very young age. I am trying to remember if my Sister adopted her, but a lot of time has passed. I would have to try to find that out. Henry and Lottie were Nancy and my parents, and her Grandparents, thru Nancy's marriage to Carl. The last time I saw her was when Nancy died and she came to the funeral home. I was able to learn that her one son was in the Navy. Henry Kielar was also in the Navy so that tickled me to find out. I was thankfully able to say my goodbye to her the day before she died and I am very thankful. I left for Texas many years ago to get married so I lost track of many people, including her. I will remember her in prayer.
