Mickey and I became fast friends when she and Don lived in Charlotte many years ago. Our friendship continued on for probably 45 years or more. She was one in a million, so excited to become a Mom to her kids and even more excited to become a Grandma! Her family was ALWAYS her main priority and she was always hoping for the very best for each of the kids and grandkids even when she knew they were not doing what she thought was best. She was an amazing daughter to her parents when they were in their final years. I will miss her letters, her phone calls, her pop in visits and most of all I will miss HER!!! Mickey would have been so proud of her oldest granddaughter, Mariah, who stepped up and saw her through her final illness. Love to Don, Nick, Andrea, and all of the grandkids and great grandkids.
