Joan was such a sweet lady. Got to know her when we use to go to the Michigan Center Pool. Had so many good times at the pool. We laughed more then we exercised. Thoughts and prayers go out to the family, especially her daughter, Sue.

She was always ready to help those in need. Enjoyed swimming at house with the Circle of Friends group. I knew her for most of my childhood as was a friend of my parents. I have fond memories of her working on different project in our Community. Prayers for her family.
