For many years Gregg was a part of our S.N.A.P. family, faithfully attending every week with others from his home. I have kept track of him through a few of his friends after he moved out of that home. Many prayers throughout the past few years for him. I now pray for his family to be comforted and for love, laughter and even a few tears as they remember his life with their memories and what he meant to everyone. May God bless his family and friends. Carol Williams, S.N.A.P. Leader
