Angie Christina Stevens

AUG 25, 1979 - JUL 5, 2022

Age 42, of Jackson, passed away Tuesday, July 5, 2022 at Henry Ford Hospital Jackson. Angie was born in Tecumseh, Michigan on Friday, August 25, 1979. She is survived by her son and his wife; Jason (Brandie Beverage) Dixon, grandchildren; Zaiden Howell, Jayce and Jack Dixon, mother; Kathy (Kothe) Stevens, brothers; William Stevens and Jamie (Candace) Stevens, special friends; Michelle Richards and Stephanie Lyerla, several nieces and nephews. Angie was a graduate of Napoleon Community Schools Class of 98 and went on to earn her Associates Degree from Jackson College. She worked many years in the accounting department at Alro Steel in Jackson. Angie loved spending time with her grandchildren and being adventurous. Every moment would be spent on a beach or exotic location, given the opportunity. Angie loved music and could be caught taking long drives blasting 90's R&B, Country, or Rock and Roll depending on her mood. She had a flair for painting pictures and was particularly fond of eating pickles. Angie's honest opinion and laughter will be greatly missed by all who were blessed enough to know her. The next time you see a beautiful sunset/sunrise remember they were Angie's favorite.

Cremation has taken place. A celebration of her life will be planned and communicated once those arrangements are completed.

What a great memory! I can literally hear her say that's a horrible picture Angie loved you so much Caleb! She was at every birthday party and always was asking about you and how you were doing. We have amazing memories of her being a part of every holiday. Those memories will be with us forever!

I remember one time last year, me and her went on a walk through cascades. We took a seat and this lady came up with a camera and showed the picture she took of us, she asked can I put this on the news? We said yes. Knowing Angie she said Is it a good picture? The camera lady said Of course! Later that day, we went on our phones to look at the picture and Angie said Thats a horrible picture! Be both laughed it off.

I may not have known Angie for over 28 yrs but what I did know was she was the happiest person I knew. Angie & her fiancé Joe had so many plans from concerts this summer to Aruba next year. They really were a match made in heaven. I have faith that you two will find each other again one day in that big ol sky you loved so much. Were going to miss you so much down here please wrap us in your wings every time we ride. Fly High BLONDIE
