(One of Holly's friends) I remember how close you and Holly were when she was a little girl and it broke my heart for her to hear that you passed! She was a total daddy's girl & I know you just cherished and adored her and anyone that saw you guys together could see that so clearly. Anywhere John was, Holly wasn't too far it seemed. So many people care for you and I'm sorry you had to leave this life so early! You will always be missed and thought of.
