Reuben was always a wonderful man and never seemed to care that Tyler kept tee-ping his house.... I didn't realize he was t-peeing Reubens house till years later,,, must've been y'all cleaning the mess bc Reuben surely didn't, lol... Reuben will be missed! He was a solid fixture, a solid man, in the Garden City / River Park neighborhood and everyone loved his windmills! He had great engineering skills and was a master craftsman! I always loved seeing what he'd engineer & put in his front yard or sell. More than likely I'd buy it... Peace be with you're family during this difficult time.
