When someone you love becomes a memory, that memory becomes a treasure. May you treasure all your memories of sweet Gail. The great gift God gave us is our ability to close our eyes and see our loved ones that have passed. We are able to reflect on all the joy they have brought us and I hope during these tough times that all in the family can close their eyes and see her. This is what keeps our loved one alive in our hearts and in our minds and she will continue to live on, through us. Danny I can't express my sorrow but know I will pray for you and my prayers will include comfort Jim Petress
