A beautiful and loving soul! Scripture talks about the blessing of a virtuous woman. Truly, Gloria represented this scripture her whole life. A blessing to all, she was a great daughter, wife, mother and friend. I am so happy to have been blessed by her in my life. Her living ways are unconditional. That is no easy task by all. She was graceful, a true lady. I am happy she birthed 4 beautiful sisters. I am happy she accepted me unconditionally 40 years ago when I met her. May the peace that passeth all understanding be with the family and friends now, as she has entered her resting place with our Most High. One day, we will have the blessing of seeing one another again, God willing. Prayers of comfort and strength to all.
