Heartbroken. So many memories, stories when we all lived in California. She would brag me up about how smart I was, and Denny would just cry all the time... Labor day weekends at our house always looked forward to that. Vacationing up north with Uncle George and Aunt Nanny. Times I will never forget! She would always tell me when I would spend the night, which I did alot back in the day, "drink all that orange juice." Be seeing you again Aunt Barb, Love Bren
