Aunt Sadie was my favorite aunt. She took care of me when I was little. Will surely miss her and uncle Myron coming to see us. We love you kids and praying for God's comfort and peace for you.

Sadie was indeed a strong woman. One who definitely made me feel loved. Growing up as a friend and classmate of Lisa's, my first stay over was at the Gilbert house. Not knowing what to expect, Sadie helped me feel at home. Sadie raised great children who are caring, following right in Sadie's path. Thank you for your love Sadie. I'll miss you!

Aunt Sadie... what can I say? She was my favorite Aunt, I will never forget all the times that we went to my brother Myron's house. Aunt Sadie always had fresh baked goods....and boy could that lady bake, she was an awesome cook too...I loved spending time there as a kid. She always made me feel special... she will truly be missed by all those who had the pleasure of knowing her! She was a great Lady!

I remember Sadie as the fine mother of all her Gilbert children I had the pleasure to teach and coach (wrestling) over many years at Onsted High School. She took an exceptional interest showing up all parent conferences, wrestling matches, and other activities. She was soft spoken, but it was obvious her strengths ran deep. I am sure she will be greatly missed by all family and friends. My condolences to all!
