To Doug's Family I'm saddened to hear this news. Doug and I go WAY back. Many many great times. I remember getting him a job with Security at Allegance Hospital...a few months after that... he becomes my boss there....ya talk about just movin' on up!!! He and I laughed about that for the longest time...softball was ALWAYS fun with Doug...ya knew he was gonna give you something to laugh about....Doug and I met at Eagles 612...we were bartenders back then...great times. He would even get up on stage during band times and just rip one through with the band ....oh the many great times I got to enjoy with him. I will miss him. I know the whole family. My sincere condolences to you all for your loss. RIP Doug.
