Not only was Linda a classmate, she was the niece of a very good friend who we call, Aunt Mabel, which is her Aunt. Whenever I spoke with Mabel, we talked about how Linda was doing. Sorry for the families loss.

I'm so sorry you are gone, Linda. To think we went back to our elementary school day being friends all these years, is incredible. I will miss our conversations even though many were on the phone the past few years. We missed you at the lunches when you were unable to join us due to your health but we all loved you. I know you have been waiting for this day to come so you can join your loving daughter Heather, but I know the rest of your family and friends will miss you now.
