Noel and family,Randy and I have so many early memories of Scott. He was Randy's first friend when moving to Brooklyn from California and he spoke of that whenever reflecting on the move. You have heard all the funny stories repeated of their high school days with Scott, Pat, Bob and Randy and must admit they were working then on having nine lives. Scott also was Randy's best man at our wedding in 1966. His gentle ways, always sharing his love of music and planes and many cups of coffee will remain with us always.So sorry for your loss and know we share the loss in our hearts also.We will be on a cruise for the entire month of November and will not be here for the funeral. However, know you are in my prayers and God bless.Randy and Darlene

What a dear friend when we were in Brooklyn High School! and we continued to be. Also, so glad you and Noel fell in love and had a happy marriage. You both were such dear friends. May you rest in peace with our Lord and Saviour until we meet again.
