This asks to share a memory. But how to choose just 1 out of a 32 year long memory bank? From kicking mine and Nikki's butts for being a terror in Sherman oaks, taking me in when my parents kicked me out at 16, to watching us all have our babies and being the best nana! I know its been a few years sense I've seen you, but I'm gonna miss you seese. Soar high beautiful angel! Love always
