Eldon Strunk was one of the nicest dad's in oyr neighborhood. Always had a smile and had a way of just "explaining" to us why that was a dumb idea we just did without yelling...he always explained with a smile and just shake his head at us. Us neighborhood kids always gave him a reason to shake his head too! Like the time I climbed the fence to go to Muterspaugh to drive to school and my pants got caught and i ended upside down....guess who cut me down, waited fir me to change my uniform pants then drove me to school without telling my parents as i had just got into trouble by my dad for climbing the fence and falling! Good old Eldon, great guy who could kerp a girls embarrising secret! Hope Scott was waitng for you at the gate!! Many hugs Steph, Stacy and Judy. Kelly Cole Chirio
