Trevor James Hilborn

SEP 23, 2011 - MAR 10, 2025

Trevor James Hilborn, 13, passed away Monday, March 10, 2025. Trevor's family and friends will gather Wednesday, March 19, 2025 from 4:00 pm -6:00 pm and Thursday, March 20, 2025 from 5:00 pm – 8:00 pm at Eineder Funeral Homes – Brooklyn Chapel. His funeral service will be held on Friday, March 21, 2025 at 11:00 am following visitation from 10:00 am – 11:00 am at Heart O' the Lakes United Brethren Church. Pastor Daniel Schultz will officiate.

He was born on September 23, 2011, in Ann Arbor, Michigan to Richard and Jeanna (Dodge) Hilborn. He will be remembered for his love of Jesus; and a huge servant's heart. To his family and close friends, Trevor was known as "Bear". He was an avid outdoor enthusiast, loving to fish (especially off the coast in Florida for sharks). Trevor also enjoyed sea turtles, and swimming with the manatees. He was a student at Columbia Central Middle School and played on the baseball and football teams. He truly loved the outdoors, riding ATV's or dirt bikes. Trevor was a goofy kid with a kind spirit. He would not tolerate bullying and was always a defender. Trevor had a special talent for cooking. Above all he enjoyed spending time with his family, playing catch with his dad, riding bikes with his momma, picking on his beloved sissy and snuggling with his dog, Scoob. He will be greatly missed by all who knew and loved him.

Trevor is survived by his parents, Rik and Jeanna; a sister, Ireland Hilborn; grandparents, Jim and Lynne Dodge; a great grandmother, Phyllis Packer; aunts, Julie (Kevin) Stalnaker, Jennifer (Derek) Holda, Jodi (Paul) Staudenmeyer, Nancy (Dell) Smith, Robin (Jay) Stotler, and Julie Estanek, an uncle, Dan Hilborn; and many cousins. He is preceded in death by his grandparents, Ed and Dorothy Hilborn and uncle Jimmy Hilborn.

In lieu of flowers, memorial contributions may be given to family for future designation. Please leave a message of comfort for Trevor's family or sign his guestbook at www.EinederFuneralHomes.com.

I know it's a little late but I only recently found out about Trevor's death I went to school with him till 4th grade and he was the only reason I was able to make friends my first day of school in 1st grade he was kind to me when I was left out of group activities and always made sure I had friend by my side. I'm praying so hard for the Hilborn family and everyone affected. I hope he is looking down on all of us and seeing how loved and appreciated he is.

I am niece of Louise Chkoreff and Karl Henry. And cousins with Sue, Kirk, Keith, Matthew, Jim and Justin and Janell Henry. And we all are cousins closely. © I am mother of Micah William Chkoreff and Gabriel Lee Chkoreff as my micropremee twins. And I graduated from Kennesaw State University and Georgia College and State University with a MAT . M.ed in Special and general education pre k through University. It reads Dr. Chkoreff. You are my cousin and you are loved and we will always have good history. It was the Nikoloff in me to be determined. And the Hilborn in me to have twins. And it is that we think alike. I am ok with you being ok in Heaven if that's where it is suppose to be. I do love you. You counted. Elizabeth "Liz" Carol Chkoreff, MAT . M.ed

My heart hurts for this precious family, I'm praying for you in this deep, dark valley. I didn't get the chance to know Trevor well, but what I did see left a beautiful impression. He was patient with the little ones and willingly spent time with them. He was always polite, fun-loving and friendly. I could see Trevor was well loved by his family, and know he is even more loved by His Heavenly Father.

I don't have any memories to share I regret the fact that I won't be able to build any with this young man, I was excited to see him come into the family and to be part of some of the most important people in my world lives he would've been a great brother for Eli and I was looking forward to that unfortunately, we do not understand why things happen the way they do and I don't think we ever well there's never gonna be an explanation for anything like this or a reason that could be accepted This is a loss for everybody what that young man would've brought into the world it will never happen now, and we all lose the chance to experience his greatness I pray for strength and understanding through all this for everybody involved
