He was an absolute pleasure to be around. Always looked forward to him coming out to hang out with all of us. Perfect example of a perfect marriage. Had each others backs through thick and thin. While maintaining composure. He dedicated his whole life to be there for the good of others. No matter what. My biggest regret will always be that I didn't meet them sooner. Until we meet again my friend ❤️

I had the privilege of meeting Pat when I started working as the nurse at Fowler Center. Pat and I would have great conversations when he came to check in Suzie and Sarah from St Louis Center. for respite weekends. I am also a nurse for Ann Arbor Public Schools. I worked with Patrick at Forsythe Middle School. He was a gentle spirited man with a wonderful personality. He will be greatly missed!
