# Jeffery Duane Dillaha

MAR 25, 1969 - NOV 11, 2025

**J**effery Duane Dillaha {Papa bear, 56, of Brooklyn, MI passed away peacefully Tuesday, November 11, 2025.

Born on March 25, 1969, in Westland MI he was a devoted and Godly husband to Tina Dillaha and a loving father to Amber {Mike} Hamilton, Matthew {Macy} Miles, Christopher Miles and Aaron {Littleman} Miles.

He was a hardworking, God fearing, loving and dedicated man to his family and friends alike. His love for the Lord touched everyone and he provided a great example of what it means to love the lord.

He spent many years taking care of his mom and family. Jeff was a wonderful and loving grandfather to his seven grandchildren, Nevaeh, Michael, Sylas, Khloee, Khyleigh, Hunter, and RayLynn.

Though he did not like being the center of attention, he deserves to have his long years of fatherly love honored. He was a man of many qualities such as his integrity, faithfulness, kindness, love and generosity, and he left a lasting impression on everyone who knew him.

Jeff's hobbies and interests helped define who he was. He enjoyed weightlifting body building, woodworking and studying his bible. Jeff was a passionate Michigan sports fan, especially his love for the University of Michigan Football {"Go Blue"}, Detroit Tigers Baseball and Detroit Lions Football.

He loved to travel with his wife and three dogs, Piper, Bentley, and Lucy. His favorite place was in Petoskey, Michigan where he and his wife got married and being on or near Lake Michigan.

Jeff is survived by his wife, children, grandchildren, and his brother Danny {DeeDee} Dillaha, as well as many Aunts, Uncles, Cousins, Nieces, Nephews and many extended family and friends who will miss him dearly.

Jeff chose to be cremated and there will be no funeral service. In lieu of flowers,

The pain of my brothers absence is temporary as we take comfort in the knowledge he has passed from death to eternal Life. By calling him home our Heavenly Father has for all eternity healed him not only of terrible disease of cancer but all other earthly battles this world has to offer. This world rarely sees men like Jeff. He is honest, faithful and committed to whatever and whoever he gave his heart to. Jeff's love was complete and unconditional. I often described Jeff as a man you could trust "with your wallet, your wife and your life". Jeff had more than his share of battles in this life, some absolutely debilitating and yet still found time to protect those he loved. Jeff is irreplaceable, I've never met and don't believe I ever will meet anyone like him again. I am absolutely honored and thankful to God that I get to call him My Brother! I have not lost you, brother, I know where you are, and I will surely see you soon. I love you, Jeff!

Jeff is my cousin, just a few years older than me... Although we didn't spend much time together growing up, I still do have many memories as kids... I looked up to him especially after he got into weight lifting. The man was a tank! What I admired more than that was his growing commitment to the Lord. He inspired me to follow Christ. I loved seeing how he used social media as his platform to plant seeds and further the kingdom of heaven. I was blessed to be able to express my humble gratitude to Jeff over the phone a few weeks back. He had a calmness and a love in his voice I can't describe. Its an honor to call him family and cannot wait to see and hug him someday in heaven, surrounded by his family, friends, and all those he helped lead into the kingdom. I shall take what he taught me and carry the torch... He was never ashamed to stand tall and speak truth about the Lord. What a hero. Thank you cousin Jeff. Love you man... Like your brother said, "we are not the living waiting to die, we are the dying waiting to live..." Well, you now are truly living!
