Daniel Lee Booth

JUN 7, 1961 - JAN 13, 2026

Daniel Lee Booth, 64, of Brooklyn, Michigan, passed away unexpectedly on January 13, 2026 at Trinity Health Hospital, Livonia. Dan's family and friends will gather for a Celebration of Life, Saturday, January 24, 2026 from 10:00 am – 12:00 pm at Eineder Funeral Homes – Brooklyn Chapel.

He was born on June 7, 1961 in Kalamazoo, Michigan to Arthur and Joan (Burnette) Booth. He will be remembered for his generous personality, always helping friends and family with whatever they needed whether it be renovations, plumbing, or landscaping. Dan was employed at Cummings Plumbing for many years. He enjoyed bowling, hunting and the great outdoors. Dan took great pride in his perfectly manicured lawn. His famous Halloween decorated house was featured in the Brooklyn Exponent, receiving many cards of thanks from the local children. Dan attended quite a few classic cars shows with his 1972 black Monte Carlo, winning many trophies. He was a Red Wings fan, even planting flowers in the Red Wings color theme. Dan was known for living life HIS way, being a hard worker and now he is at rest with his beloved cat, Rover. He will be missed by all that knew and loved him.

Dan is survived by his daughter, Michelle (Nick) Rowley; and a granddaughter, Maggie Rowley. He is preceded in death by his parents, Arthur and Joan.

Memorial contributions may be given to family for future designation. Please leave a message of comfort for Dan's family or sign his guestbook at <https://www.EinederFuneralHomes.com>.

Terry Mahr posted:

Hello Michelle - I visited your father's Memorial hoping to meet you, very sorry you were unable to attend and hope you are feeling better. I wanted to let you know how much the community enjoyed your father's Halloween display. I am the most recent past village president. Your father contacted me and asked for my campaign signs when I ran for office. During his Halloween display he put one of them in the hands of one of the skeletons. After he had done it, he sent me a message apologizing for doing that without my permission. I thought it was great and told him so. I wanted you to know how polite and respectful your father was in all of our communications. I appreciated his support, sense of humor and the Halloween display -- a gift to our village. Yesterday was the first time in my life I have been to the funeral home out of respect -- for someone I never met in person. Somehow, I think, if I had gone before he would have done the same. Rest in Peace, Mr. Booth. Terry Mahr

Thank you for this, Terry. I was heartbroken to miss it. I'm so glad my dad found such a wonderful town to live his remaining years in, we have met some really great people in our time here. It brought him so much joy to go big on Halloween, he'd be so excited when he'd call and tell me what the new additions were every year. I've loved hearing all the stories and am so glad it brought joy to so many people.

I am so sad to hear about this. I really never knew Dan personally, but I live around the corner in Colbrook Meadows. When I would go for runs, I would comment how nice his yard/landscaping looked while I passed by. Every time that I drove by and would see him working in his yard, I always honked the horn and he would wave hello. One hot summer day, I saw him having a beer in front of his garage. I stopped by the store and bought him a six pack of long necks and dropped it by his house on my way home; he was very appreciative and shook my hand in thanks. His Halloween decorations were TOP NOTCH! I'm sorry to hear that he has passed on and will miss exchanging waves while I drive by. Although I didn't know him personally, he will be missed. Rest in peace my friend!

Jeff, it is so awesome to hear the other side of this story. He had called me shortly after this interaction and thought it was just the nicest thing ever that someone he didn't really know would do that. I know he really appreciated it ❤️

Dan was our neighbor who became a good friend. Dan always had a smile and a funny quip to share. He was always willing to lend a hand when needed. I enjoyed our many chats over the fence about life, the weather or plans for the next Halloween display. Dan loved our dogs and enjoyed coming over to visit them and toss the ball. Thank you for the years of laughter, kindness and front row seat to the coolest Halloween displays ever, my friend. We will miss you very much.

I never met Dan, but I have enjoyed seeing his Halloween decorations year after year. His simple act of decorating his house and yard has brought joy to so many strangers including me. "Eternal rest, grant unto him, O Lord, and let perpetual light shine upon him. May his soul and the souls of all the faithful departed, through the mercy of God, rest in peace. Amen."

I am so sad to hear of Dan's passing. He was my plumber for many years, and we always had nice conversations while he was at my home. My heartfelt condolences to his family and friends.
