Timothy Lee Rodda

DEC 25, 1964 - MAR 15, 2026

Timothy Lee Rodda, 61, of Jackson, Michigan, passed away on March 15, 2026. Tim's family and friends will gather for a celebration of life at 2:00 p.m., on March 29, 2026, at Somerset Free Methodist Church 12883 E. Chicago Rd. Somerset, Michigan.

Tim was born on December 25, 1964, in Hudson, Michigan, to Robert and Patricia (Gove) Rodda. Tim attended Columbia Central schools and graduated in 1983. In high school Tim was in the marching band. His love of music continued well into adulthood as he played drums in several bands over the years. He had many hobbies that included sports, magic, camping and fishing. He enjoyed a good Detroit Tigers game and Halloween was his favorite holiday. He was once a guest on a local cooking channel, sharing his love for all things food related. He will be remembered by all who knew him, as a loving son, brother, father, uncle, and friend. Above all, his greatest joy and proudest accomplishment was being a devoted and active grandfather to his three grandsons.

Timothy will be dearly missed by his daughter, Kasey (Thieo) Ortiz; his parents, Patricia and Robert; siblings, Bob (Nancy) Robidoux, Pam (Vince) Kramer and Jeff (Melissa) Rodda; grandchildren, Lincoln, Liam and Hudson; and many more loving relatives and friends. He is preceded in death by his grandparents, Leon and Ida Gove and his brother, John Orville Robidoux.

Memorial contributions may be given to the family for future designation. Please leave a message of comfort for Tim's family or sign his guestbook at <https://www.EinederFuneralHomes.com>.

I met Tim when we were just five years old. We went to Clarklake kindergarten together, and from that point on, my life was intertwined with his and the entire Rodda family. I remember so many great times growing up with Tim and the entire Rodda family at the Jefferson Road house. We'd spend hours in the treehouse or picking vegetables so Pat could can food for the winter. I had many meals at that house, and I remember them all being better than home—sorry Mom, but Pat was a master cook with those natural ingredients. We used to sneak rhubarb to Trixi the horse that lived behind the property. We would gorge ourselves on concord grapes from the fence line. Tim, Jeff, and I were warned we'd get stomach aches, but we never did; we were young and resilient. We played Army men in the yard for what felt like an eternity, summer after summer. In the winters, John would pull us on the toboggan behind the snowmobile he'd worked so hard to buy. John was a saint—dedicated to his work, his family, and his friends. I remember working one summer with him and Tim, notching hogs ears. We had them pinned against the plywood until the iodine came out; then, it was a race to see who could jump the wall fastest to avoid a feisty hog. I'd give anything to go back to that moment with both of them. Those simple nights—eating 'old school' popcorn from a brown paper bag while the whole family watched the movie of the week—are the times I wish I could relive again. Tim and I talked the Tuesday before his trip to Colon. We had the 'gift of gab' and covered every topic under the sun for hours, as we always did. We treasure many fleeting things in this life, but the 'possession' I treasure most is my lifelong friendship with Tim. My eternal friend, Tim.
