I fondly remember Terri when I worked at Bella Notte's. She had a spark to her even while going through her battle with cancer. Always made myself and others smile and laugh. The world could use more people like her. May she rest in peace.

Beatrice Maxwell lit a candle in honor of Terri.

I met Terri when we were 15, playing softball in Vandercook. We quickly became good friends. We grew up together. We had a lot of great times. She was in my wedding and I was in hers. Our kids grew up together and then our lives took different turns. I will treasure the years she was in my life. Sending positive energy to Christopher, Patrick, Kip and your families in this difficult time. Take care of each other💕

Terri was my babysitter when I was a young child. She always treated me well and I have no bad memories of her like other babysitters. It's been 30 years but I do remember she always treated me with respect and dignity no matter how hard of a child I was to deal with. My condolences to Chris & Patrick-Tim Bauer

I grew up with Terri's mother, Carol. My husband and I were friends with Kim's and Carol, Terri's parents. Years later, I met Terri and found her to be a caring and compassionate person! She was so proud of her sons and loved being a grandmother!
